

Calls To Investigate Sweetwater District Practices

Posted by [Sweetwater Education Association](#) May 19, 2011 • [Intersession Settlement Agreement](#) • [Article 34](#)

Once again, our employer has made the news. It is interesting that some board members will be subject to investigation by the independent auditor, and that they, with the guidance of their legal counsel whom should be subject to the investigation also, participated in the selection of the independent auditor.

It is time for change. Our spending-our-student-resources-at-Hooters superintendent needs to go. Please read the following two articles:
